The date of these Final Terms is 16 July 2013.

The Base Prospectus referred to below (as completed by these Final Terms) has been prepared on the basis that any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**") will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of the Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of the Notes may only do so in circumstances in which no obligation arises for the Issuer or any Joint Lead Manager to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer. Neither the Issuer nor any Joint Lead Manager has authorised, nor do they authorise, the making of any offer of Notes in any other circumstances.

The expression "**Prospectus Directive**" means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in the Relevant Member State and the expression "**2010 PD Amending Directive**" means Directive 2010/73/EU.

Terms used herein shall be deemed to be defined as such for the purposes of the Terms and Conditions ("**Conditions**") set forth in page 58 to page 86 of the base prospectus dated 3 July 2013 (the "**Base Prospectus**") issued in relation to the Euro 90,000,000,000 debt issuance programme of N.V. SUMMARY OF THE NOTES

Summaries are made up of disclosure requirements known as "**Elements**". These Elements are numbered in Sections A – E (A.1 – E.7). This Summary contains all the Elements required to be included in a summary for this type of securities and the Issuer. Because some Elements are not required to be addressed, there may be gaps in the numbering sequence of the Elements. Even though an Element may be required to be inserted in a summary because of the type of securities and Issuer, it is possible that no relevant information can be given regarding the Element. In this case a short description of the Element should be included in the summary with the mention of 'Not applicable'.

Section A – Introduction and Warnings		
A.1	Introduction and warnings:	This summary should be read as an introduction to the Base Prospectus. Any decision to invest in the Notes should be based on consideration of the Base Prospectus as a whole including any documents incorporated by reference by the investor. Where a claim relating to the information contained in the Base Prospectus is brought before a court, the plaintiff investor might, under the national legislation of the Member State, have to bear the costs of translating the Base Prospectus before the legal proceedings are initiated. Civil liability attaches only to those persons who have tabled the summary including any translation thereof, but only if the summary is misleading, inaccurate or inconsistent when read together with the other parts of the Base Prospectus or it does not provide, when read together with the other parts of the Base Prospectus, key information in order to aid investors when considering whether to invest in the Notes.
A.2	Consent to use of the Base Prospectus:	Not applicable. No Public Offer of the Notes will be made.

Section B – The Issuer

BNG Bank is registered in the trade register of The Hague Chamber of Commerce under no. 27008387.
B.4b	A description of any known trends affecting the Issuer and the industries in which it operates:	BNG Bank's business and results of operations are affected by local and global economic conditions, perceptions of those conditions and future economic prospects. The outlook for the global economy over the near to medium term remains challenging. Many forecasts predict at best only stagnant or modest levels of gross domestic product (" GDP ") growth in the European Monetary Union (" EMU ") where a relatively

		<p>robust German economy has been offset by the weakness of other Eurozone economies attributable to factors such as high unemployment, declines in consumer spending and the adoption of austerity measures in response to increased sovereign debt risk. In particular in Greece, Italy, Ireland, Portugal and Spain ("GIIPS"), France and Cyprus economic and GDP growth have been weak.</p> <p>BNG Bank's business is impacted generally by the business and economic environment in which it operates, which itself is impacted by factors such as changes in interest rates, securities prices, credit and liquidity spreads, exchange rates, consumer spending, business investment, real estate valuations, government spending, inflation, the volatility and strength of the capital markets and also by terrorism.</p> <p>The introduction of, and changes to, taxes, levies or fees applicable to the Issuer's operations (such as imposition of a financial transaction tax) could have an adverse effect on its business and/or results of operations.</p> <p>BNG Bank cannot predict what impact new rules and regulations will have on its business until such rules and regulations are fully adopted and implemented. Any new or changed regulations may adversely affect BNG Bank's business and/or results of operations.</p>
B.5	Description of the Issuer's group and the Issuer's position within the group:	<p>The outstanding shares in the share capital of BNG Bank are held by the Dutch State (50%), with the remainder held by more than 95% of Dutch municipalities, 11 of the 12 Dutch provinces, and one water board.</p> <p>BNG Bank has a number of wholly owned subsidiaries that provide services ancillary to the principal activity of BNG Bank of lending to the public sector. These subsidiaries are:</p> <ul style="list-style-type: none"> • BNG Vermogensbeheer B.V. (previously BNG Capital Management B.V.) • BNG Gebiedsontwikkeling B.V. • Hypotheekfonds voor Overheidspersoneel B.V.
B.9	Profit forecast or estimate:	Not applicable. BNG Bank has not made any public profit forecasts or profit estimates.
B.10	Qualifications in the Auditors' report:	Not applicable. The audit reports with respect to BNG Bank's audited financial statements as of and for the financial years ended 31 December 2012, 31 December 2011 and 31 December 2010 incorporated by reference in the Base Prospectus are unqualified.
