**FINAL TERMS**

---

The date of these Final Terms is 20 March 2015.

The Base Prospectus referred to below (as completed by these Final Terms) has been prepared on the basis that any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**") will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of the Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of the Notes may only do so in circumstances in which no obligation arises for the Issuer or any Joint Lead Manager to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer.

Neither the Issuer nor any Joint Lead Manager has authorised, nor do they authorise, the making of any offer of Notes in any other circumstances.

The expression "**Prospectus Directive**" means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in the Relevant Member State and the expression "**2010 PD Amending Directive**" means Directive 2010/73/EU.

Terms used herein shall be deemed to be defined as such for the purposes of the Terms and Conditions ("**Conditions**") set forth on pages 61 to 95 of the base prospectus dated 19 June 2014, as supplemented by the supplements to the base prospectus dated 25 August 2014 and 9 March 2015 (together, the "**Base Prospectus**") issued in relation to the Euro 90,000,000,000 debt issuance programme of N.V. Bank Nederlandse Gemeenten which together constitute a base prospectus for the purposes of the Prospectus Directive. This document constitutes the Final Terms of the Notes described herein for the purposes of Article 5.4 of the Prospectus Directive and must be read in conjunction with the Base Prospectus. Full information on the Issuer and the Notes described herein is only available on the basis of a combination of these Final Terms and the Base Prospectus. The Base Prospectus is available for viewing, upon the oral or written request of any persons, at the specified offices of the Paying Agent. Copies may be obtained at the specified offices of the Paying Agent. A summary of the Notes is attached to these Final Terms.

These Final Terms do not constitute, and may not be used for the purposes of, an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation; and no action is being taken to permit an offering of the Notes or the distribution of these Final Terms in any jurisdiction where such action is required.

This Summary contains all the Elements required to be included in a summary for this type of securities and the Issuer. Because some Elements are not required to be addressed, there may be gaps in the numbering sequence of the Elements. Even though an Element may be required to be inserted in a summary because of the type of securities and Issuer, it is possible that no relevant information can be given regarding the Element. In this case a short description of the Element should be included in the summary with the mention of 'Not applicable'.

<b>Section A – Introduction and Warnings</b>		
<b>A.1</b>	<b>Introduction and warnings:</b>	This summary should be read as an introduction to the Base Prospectus. Any decision to invest in the Notes should be based on consideration of the Base Prospectus as a whole including any documents incorporated by reference by the investor. Where a claim relating to the information contained in the Base Prospectus is brought before a court, the plaintiff investor might, under the national legislation of the Member State, have to bear the costs of translating the Base Prospectus before the legal proceedings are initiated. Civil liability attaches only to those persons who have tabled the summary including any translation thereof, but only if the summary is misleading, inaccurate or inconsistent when read together with the other parts of the Base Prospectus or it does not provide, when read together with the other parts of the Base Prospectus, key information in order to aid investors when considering whether to invest in the Notes.
<b>A.2</b>	<b>Consent to use of the Base Prospectus:</b>	Not Applicable. No Public Offer of the Notes will be made.

<b>Section B – The Issuer</b>		
<b>B.1</b>	<b>The legal and commercial name of the Issuer:</b>	The legal name of the Issuer is N.V. Bank Nederlandse Gemeenten. The commercial name of the Issuer is BNG Bank.
<b>B.2</b>	<b>The domicile and legal form of the Issuer, the legislation under which the Issuer operates and its country of incorporation:</b>	BNG Bank is a public company with limited liability ( <i>naamloze vennootschap</i> ) incorporated under the laws of the Netherlands, having its statutory seat at The Hague, the Netherlands. BNG Bank is registered in the trade register of the Netherlands Chamber of Commerce under no. 27008387.
<b>B.4b</b>	<b>A description of any known trends affecting the Issuer and the industries in which it operates:</b>	BNG Bank's business and results of operations are affected by local and global economic conditions, perceptions of those conditions and future economic prospects. More than five years after the beginning of the global economic and financial crisis, the world economy is showing signs of recovery in 2014, but downward revisions to growth forecasts in some economies highlight continued fragilities and downside risks. Risks to growth and stability stem mainly from continued imbalances – among and within countries – and from uncertainty about how economies will respond as the extraordinary monetary policy measures, including the quantitative easing programs, implemented during the global financial and economic crisis are unwound. Although the prospects for the Dutch economy in 2014

		<p>are moderately favorable, the economy in the Netherlands remains weak.</p> <p>BNG Bank's business is impacted generally by the business and economic environment in which it operates, which itself is impacted by factors such as changes in interest rates, securities prices, credit and liquidity spreads, exchange rates, consumer spending, business investment, real estate valuations, government spending, inflation, the volatility and strength of the capital markets and other de-stabilising forces such as geopolitical tensions or acts of terrorism.</p> <p>The introduction of, and changes to, taxes, levies or fees applicable to BNG Bank's operations (such as the imposition of a financial transactions tax and bank levy) could have an adverse effect on its business and/or results of operations.</p> <p>Although it is difficult for BNG Bank to predict what impact all of the recent regulatory changes, developments and heightened levels of scrutiny will have on BNG Bank, the enactment of legislation and regulations in the Netherlands, changes in other regulatory requirements and the transitioning to direct supervision by the ECB, have resulted in increased capital and liquidity requirements and/or increased operating costs and have impacted, and are expected to continue to impact, BNG Bank's business.</p>																														
<b>B.5</b>	<b>Description of the Issuer's group and the Issuer's position within the group:</b>	<p>The outstanding shares in the share capital of BNG Bank are held by the Dutch State (50%), with the remainder held by more than 95% of Dutch municipalities, 11 of the 12 Dutch provinces, and one water board.</p> <p>BNG Bank has a number of wholly owned subsidiaries that provide services ancillary to the principal activity of BNG Bank of lending to the public sector. These subsidiaries are:</p> <ul style="list-style-type: none"> <li>• BNG Vermogensbeheer B.V. (previously BNG Capital Management B.V.)</li> <li>• BNG Gebiedsontwikkeling B.V.</li> <li>• Hypotheekfonds voor Overheidspersoneel B.V.</li> </ul>																														
<b>B.9</b>	<b>Profit forecast or estimate:</b>	Not applicable. BNG Bank has not made any public profit forecasts or profit estimates.																														
<b>B.10</b>	<b>Qualifications in the Auditors' report:</b>	Not applicable. The audit reports with respect to BNG Bank's audited financial statements as of and for the financial years ended 31 December 2013, 31 December 2012 and 31 December 2011 incorporated by reference in the Base Prospectus are unqualified.
